# IN KCUPS

# 2200-DLI

The 2200-DLI pad printer is a one-color sealed cup pad printing machine that incorporates two 90mm VersaCups® to print two products at once. The flexibility of this machine makes it the ideal solution for footwear, sporting goods and industrial products.

Print two images up to 2.7" x 8.66" (70 x 220mm) at the same time or print multiple image locations on the same part. The 2200-DLI has a maximum part height of 10.19" (259mm) enabling it to print on multiple tall products at a time. Additionally, this machine has a pad stroke length of 6" (152.4mm).

## FEATURES
